The 1974 Centurion Staff hopes you enjoy this issue of a Willowbrook tradition. Perhaps you had passed Room 28 during the fifth hour and noticed a peculiar phenomenon. This was the home of the yearbook staff. Twenty-one members under the direction of the master Mohawk, Frank Morgan, rushed frantically around trying to find out who had copy "B", when the next deadline was, and above all, who had the hall passes.

However, in all fairness, we cannot take the credit for the cover design and other art work delicacies. They belong to the art staff. But other than that the staffers hope that this book will bring back fond memories of high school days for countless years to come.

Kevin Corry, athlete, coach, educator, dean of students, and now the biggest challenge of all, athletic director at Willowbrook High School.

For Corry, the job of athletic director is the culmination of a personal goal ranging back many years, to his college days at the University of Illinois.

"My ultimate goal has always been to be the athletic director of a large Chicago suburban high school," recalls Corry. "Now that my goal has become a reality, I hope I can make the most of the opportunity."

Corry's interest in athletics rangers back to his high school days at Oak Park. He participated in football and track, specializing in the discus and shot put events.

Attending the University of Illinois, Corry earned his master's degree in

physical education department and Corry also served as a coordinating administrator.

But, Corry's first love, coaching, still interested him the most and he held the job of assistant coach in baseball and wrestling.

UNDER THE LEADERSHIP of Corry and athletic director Vic Lesch, the Addison Trail athletic program prospered quickly, producing successful teams in nearly all sports.

Last spring, Willowbrook athletic director John Fischer, who had served the school in that capacity since its inception in 1959, announced his retirement.

The search for a replacement for Fischer began, and that's where Kevin Corry entered the picture.

Although he plans no major changes in the immediate future, his distinctive style figures to be an asset to the Willowbrook program.

"The program has been much too successful to make any major changes," says Corry. "We're going to look the program over carefully and only then will any change be initiated."

"One thing we are planning is to add orange as a supplementary color to the Willowbrook uniforms. Gray and powder blue will still be the major

N.H.S. OFFICERS: FRONT ROW: Denise Bohlin, Secretary; and Steve Ashby, President; BACK ROW: Jim Mori, Vice President; and Lexa Bond, Treasurer.

Until this year, the National Honor Society has been a purely honorary organization. A student was admitted into the Society if he excelled in four areas: scholarship, character, service to the community as well as his school, and leadership ability. This year, some Honor Society students are utilizing these traits in a voluntary tutoring plan sponsored by the Willowbrook chapter of the National Honor Society. The Honor Society hopes eventually to become a more active and functioning organization at Willowbrook through a continuation of such programs.

Created by students, Parallax is a collection of the best of Willowbrook's poetry, prose, comedy and art work, showing the spirit and ability of this school's finest authors.

EXCHANGE

My year in the U.S.A. at Willowbrook Hs. has been a time I never will forget. It has been the most exciting and interesting year in my life.

I am thankful to all the people who have been so nice to me and who have helped to establish me here. I want to give some people a special thank-you for what they did for me: Wieberg whom I lived with and who are wonderful people, all my teachers, coaches in soccer and track, the school's administration and thank-you, too, who have been my friends in school here.

I hope I will see you again. Either some of you may come to my home in Sweden or maybe I will come back to go to college here. I haven't decided yet.

It was a fantastic year and I think it is real sad it went so fast but I hope we see each other again soon.

D.O. OR DIVERSIFIED OCCUPATIONS

In the past years the Diversified Occupations program has helped many students become established in jobs where training and skill is necessary. The students spend half their day in school taking classes (besides the required) that relate to their occupation. The other half of the day is spent on the job acquiring the skill their occupation requires.

DISTRIBUTIVE EDUCATION

Distributive Education is a club which provides an opportunity for students interested in the field of marketing and distribution.

Students go to school part of the day, usually taking two other major subjects besides their Distributive Education class. For the remainder of the day the students work. On the job, the D.E. student learners are supervised and instructed. The students are periodically graded and evaluated by their supervisors on the job.

The Distributive Education Club meets regularly with other D.E. clubs in the area. The students also may participate in local, state and national competition.

D.E. students end their year with the annual Distributive Education Employer-Employee Dinner.

The student in the program attends minimum classes, usually a half day. The remainder of the day is spent on the job.

At their part-time jobs, they receive on-the-job training which is directly related to the daily in-school classroom instruction. Other activities during the year include social events, fund-raising projects, conventions, various occupationally-oriented contests, and the annual Employer-Employee Banquet at the end of the year.

SCIENCE CLUB INSTILLS SPIRIT OF CURIOSITY

SCIENCE CLUB: Jeanie Cousins, Mike Vosicky, Bob Belter, Connie Orlowski, and Charlene Skawinski.

Science Club is designed for students interested in promoting scientific interest and knowledge. Members have many activities. This year they listened to "The Mystery of Maize," a tape recording by Dr. George W. Beadle, and at Christmas, they sponsored a clothing drive for Gateway House drug rehabilitation center. In the spring, the club visited the observatory of Northwestern University. The sponsors of Science Club are Mrs. Greenberg and Mrs. Svoboda.

THE GROWING CLASS OF HORTICULTURE

Ornamental Horticulture is a new vocational course offered this year. Among the activities have been outside speakers, field trips, plant sales, and of course, growing plants. We've learned what plants need — besides loving care. We've also learned that horticulture also means landscape management, turf grass management, florist and garden-center management, and even forest management.

SOCCER TEAM HEADS UP A GOOD SEASON

Three years of student interest in soccer at Willowbrook culminated in the formation of soccer teams at the Varsity and Sophomore levels. The Varsity Team had a record of 8 wins, 3 losses, and 1 tie. This is regarded as an outstanding record for a new team, indicating that they outplayed more experienced teams to gain several of these victories. Three key players this year were Captain Frank Berry, Mohamed Awad, high scorer, and Rich Waisganis, voted most valuable player. Although the Sophomore Team had a less successful season, they gained valuable experience for the years to come.

The 1973 Varsity Football Team achieved the Warrior's most successful season with a conference record of seven wins and one loss. This was the first season that any Willowbrook football team has tallied that many wins. Despite their loss to Hinsdale South, the Warriors tied for first place in the Des Plaines Valley Football League. This great record was topped off by Willowbrook's victory over York in pre-conference play.

Nine players from the team were chosen as All-conference: Tom Domin, Mike Ellis, Ken Havenga, Craig Kindl, Pete Kligis, Chuck Lietz, Scott Reid, Mike Richards, and Mike Torrence. Tom Domin, linebacker, went on to be selected to top twenty-two All Chicago Area Players. The Jr. Varsity, Sophomore, and Freshman 'B' Teams all took first place in their conferences.

This record placed the team in third place in both Conference and District meets.

Leaders in the team's race were Kurt Kleinow and Les Orlow. Kurt was the Number 2 runner, and finished at the top in all of his meets. Les Orlow ran Downstate and captured 15th place out of a field of 200 runners.

Led by Jeff Grasso and Craig Martin, the Sophomore team did capture their conference title. The Sophomore team record was 7 wins and no losses, making the '73 season quite a memorable one.

All five of Willowbrook's basketball teams shot to the top this year. The Varsity Warriors finished second in their conference play with a record of 11 wins and 3 losses. In regional competition, the team won their first 2 games, beating both Hinsdale South and Hinsdale Central. They lost their third regional game to Lyons Township, thus being eliminated from further contention.

The Junior-Varsity Team captured first place in their conference with a 12 and 2 record, The Sophomore Team placed third in their conference, winning 8 games and losing 4. The Freshman A Team tied for first in their conference and the Freshman B Team finished second.

Although the 1974 track season has just begun, the prospects for this year's team look bright. The team is well-balanced, with strength in several events. It is led by co-captains Tom LaDeur and Les Orlow. Seniors such as Mike Berendt, Jim Frack, Jeff Galla, Jeff Grote, Mike Fremgen, Ed Gockman, Frank Berry, and Craig Kindl, have given a great deal of strength to Willowbrook's sprinting and running events. Added resources have been found in Juniors Les Orlow, Kurt Kleinow, Lance Carpenter, Bob Berendt, and Daryl Pederson and sophomores Lyle Benedetto and Avery Pleasant. Seniors Bill Fuller, Roger Varland, and Brad Fairhurst have shown quiet a bit of skill as hurdlers. To round out the team, Senior Dean Henderson, Juniors Jim Bocian, Andy Preuss, and Mark Acitelli and Sophomore Gary Henderson have given outstanding performances in various field events. Through the help of all these, and many more, the 1974 track season is off to a good start.

SICK.
Berf

Berffel Q. Snard was
absent from his second hour
class yesterday because...

Please excuse Berffel Q. Snard from
2nd hour yesterday. His darling puppy
Muffin swallowed a fish bone and
went into severe convulsions.
Mrs. Ethel Snard

Berf's brother Frank Snard left for
pall-bearer school on Monday and
set the alarm for 4:00 A.M. causing
Berffel to get up twice. So yesterday
he decided not to get up at all.
Please excuse him.

Thank you,
Ethel Snard

Dear Attendance ladies,
Berffel was not in 2nd
hour yesterday because he
thought it was Washington's
birthday and over slept.
Please excuse him.
Mrs. Q. Snard

found this in the mail...

SUMMONS

Berffel Q. Snard is hereby ordered to appear at the
Clerk County Courthouse for review of his bicycle
operation on Monday the next, 19th of February, this
year, at 10:00 A.M.

Respectfully,

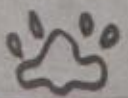

John Smith

and I couldn't send him to school
because...

whom it may concern:
Please excuse Berffel for
being late to his second
hour class. His brother Frank
went to pieces when
his Elizabeth resigned
from Rumpus Room and
Berffel spent the
morning picking up the
pieces.
Respectfully,
Mrs. Ethel Snard.

Dear Dean _____,
Berf was not in
2nd hour yesterday
because his home-
work got mixed up
with the doggie
papers and he had
to stay home and
recopy it.

Love + Licks

2-30-74

So to unfortunate
circumstances, Berffel did
not make it to 2nd
hour yesterday. He got
his foot stuck in the
porcelain utility.
Mrs. Ethel Snard

NO PROBLEM IS SO BIG OR SO
COMPLICATED THAT IT CAN'T
BE RUN AWAY FROM!

SCHULZ 2/30/74

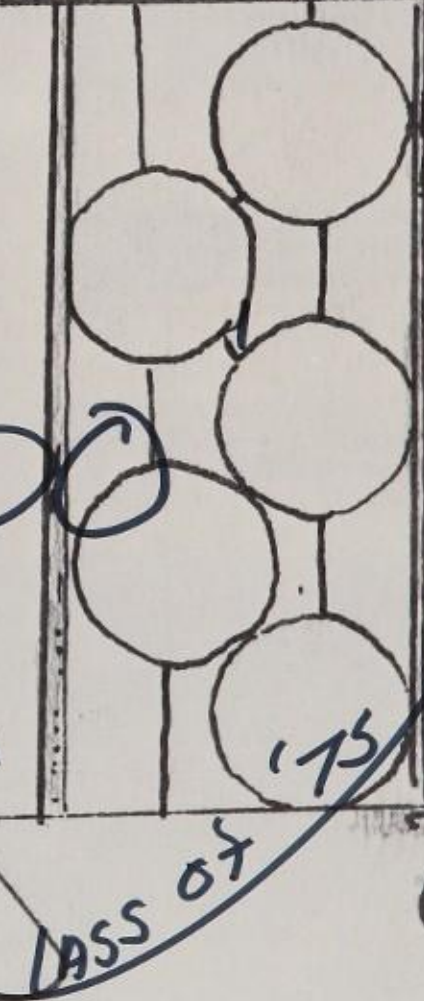

Berffel was not in his 2nd hour
class yesterday- did you really miss him?

Underclassmen-

My dearest mother,
 This year has been
 hell of a year! We've done
 a lot together, and had a riot-
 will you ever forget BB game
 high day, the carnations? Plus the little "cruise"
 I took on a rainy night? But we have another to
 go. So, if you can manage to stay alive (with your diving
 I can't see how!) I'll see you over the summer and
 next year!
